WALKER ANNOUNCES TRANSIT BUDGET DECISION

MILWAUKEE – County Executive Scott Walker concluded a review of the Milwaukee County Transit System recommended budget earlier this week with his budget team and announced that he will not eliminate any routes. His proposed budget will also maintain existing countywide Paratransit service.

“While the 2011 budget is still being developed,” said Walker, “I want to reassure those who depend on our transit system that routes will not be eliminated.”

Walker will present his full 2011 budget proposal to the Milwaukee County Board at the end of September.
