

Attachment 1

Please fill out the table below and return with your bid. Note: sizes and weights listed are general and do not represent any specific shipments, the numbers will be used strictly for the award of this bid. Vendor should submit a current rate book detailing all rates. Ground shipping should be used as the method of transportation with no additional insurance required.

The zip codes listed on the left of the table should be used as the package destination and zip code 53208 as the package origin. Pricing should be submitted in the blank squares in the table.
