THURSDAY, FEBRUARY 7, 2008

This statement has been submitted by the Employee candidate
Running for the Pension Board

Name: Roy Felber
Department: Milwaukee County Sheriff's Department
Title: Deputy Sheriff I
Service Credits: 9 years

I think my current position as the Milwaukee Deputy Sheriff's Association President will give me the advantage of knowing how the County functions and which people to contact if I notice problems or discrepancies. I also know I am a good candidate because I was hired by the Milwaukee County Deputy Sheriffs to represent their best interest and I will do the same for every other County employee, both current and retired. Thank you.
